Principal’s Corner

Happy May to everyone!! It is hard to believe that there are four weeks left of school. Please review the online calendar for upcoming events. [http://barnett.nebo.edu/] Also, please remember that for the next couple of weeks we will be doing our end of the year testing. Please make sure your kids arrive on time since the teachers are testing in the morning. So far everyone has done a great job. Thanks!

It is that time of year again to remind students to return or pay for lost library books and clear up unpaid lunch fines. In the past, students with unreturned books or unpaid lunches have been exempted from our end of the year swimming activity or lower grade activity, it will be the same this year. Please don’t wait until the last day to pay for lost books or pay overdue lunch charges. We appreciate your help and support with this.

As a behavior incentive, grades 3-6 will be swimming at Payson Pool on May 28th. First and Second Grade will be visiting the Spanish Fork Splash Pad and North Park for their end-of-year celebration on May 20th. It should be fun for everyone. 😊

Regarding teacher requests for next year, we will still be following the same policy we have used for the past several years. As always, teacher input will be one of the greatest factors in placing students. In addition to teacher input we would love to have information from parents regarding their child’s individual strengths, learning styles, behavior issues, etc. (These letters should not contain desired teachers’ names or money😊). In addition, if you have had a specific negative experience with a certain teacher in the past with one of your own children I would like to know this as well. Please know that class placement is a difficult task that I take very seriously.

(Continued on next page.)
If you choose not to inform me through letter or email about your child during the month of May there will be no changes to class placement in July once your child has been placed with a teacher. It is so much easier to get it right in May than make last minute changes once class lists have been posted. The letters can be in the form of email to me (angela.stoddard@nebo.edu) or written letter delivered to the office. We will be accepting these anytime during the month of May. We feel that with the quality of teachers we have at Barnett every child can have a great experience with any of the teachers here. If there are any questions regarding student placement don’t hesitate to call or email me.

If you know for certain that your student will not be returning to Barnett in the fall, please let the office know as soon as possible (801-465-6000). This will help us know how to balance class size.

Thank you, everyone, for your help and support of Barnett Elementary and for making this a great school year. We have so many parents who work behind the scenes to make us successful. I would like to thank the wonderful PTA group and parent volunteers that we have had this year. I love working with the great students, parents, teachers, and staff who are associated with Barnett Elementary. Have a wonderful, safe summer and don’t forget to read and practice math facts!

--Mrs. Stoddard

**Barnett Summer Study Program**

We want to keep students motivated to read and practice math facts all summer long! The goal is to read for at least 20 minutes and practice your math facts for 5 minutes, 5 days a week. For everyone that meets the goal we will celebrate with an ice cream party once school starts again.

Everyone that turns in their calendar to the office the first week of school that has even some days they read and practiced math facts will receive a prize (even if you didn’t quite meet the goal). So start reading, doing your math facts, and enjoy summer vacation!

I will attach the calendar and a list of books the teachers have come up with as good summer reads in an email the last week of school. You can also find the calendar and list of books at the Barnett Web Page. You can also visit the Bulldog Bookstore on Wednesdays from 8:30-9:00am to get some good books to read over the summer for just 25 cents!

Safety is one of Nebo School District’s greatest concerns. Accordingly, reasonable efforts are made to help make school events/activities safe. However, participation in an event/activity such as, or similar to the one mentioned below carries with it certain unavoidable, unpredictable, and inherent risks and dangers that no amount of care, caution, or instruction can eliminate.

Participation in the Barnett Elementary Fun Run may test a person’s physical and mental limits and carries with it the potential for serious injury, property loss, or even death. The risks include, but are not limited to, those caused by the physical condition of the participant, terrain, facilities, weather conditions, temperature, lack of hydration, condition of personal equipment, vehicular traffic, and actions of other people including school employees, participants, spectators, volunteers, supervisors, event/activity officials, and others. The parent/legal guardian, whose minor participates in the Barnett Elementary Fun Run in any way, maintains the sole responsibility of determining if the fitness level of their minor is adequate enough to participate. The undersigned hereby acknowledges the risks of participating in the Barnett Elementary Fun Run.

By signing below, the minor and parent/legal guardian of the minor understands, acknowledges, and agrees:
1. That the undersigned parties have read and understand all the information contained in this consent form.

5. That Nebo School District does not carry any medical insurance coverage for accidental personal injury resulting from participation in this event/activity.
6. That if during the course and scope of this event/activity the minor needs medical attention, the parent/legal guardian understands that reasonable efforts will be made to contact the parent/legal guardian. In the meantime, the parent/legal guardian consents to an event/activity official taking, arranging for, and consenting to the medical treatment for the minor. The parent/legal guardian of the minor will be responsible for all costs associated with such medical treatment.
