

STUDENT QUALIFICATIONS

Attendance is open to all elementary age students regardless of place of residence. Bright Ideas students should be highly motivated, interested in learning new things, cooperative and willing to learn at an accelerated rate. Children eligible for participation are those entering kindergarten through those entering seventh grade this fall.

PARTICIPANT BENEFITS

Students in the program will:

- Interact with other bright and motivated youth
- Enjoy learning in a stimulating, enriching, and fun environment
- Participate in activities that enhance talents in academics, creative, artistic, and productive endeavors
- Experience provoking, high-level thinking activities

YOUR HOSTS

All instruction is under the guidance and direction of the BYU/Public School Partnership Gifted and Talented Committee, utilizing licensed public school teachers. University faculty members and other qualified professionals will also teach aspects of the program. Teachers will vary the curriculum according to age level, but maintain the theme and capitalize on higher level thinking strategies.

COST

\$145.00 per student

COURSE DESCRIPTION

Students should come to Bright Ideas prepared to create, discuss, observe, investigate, record and research the Marvelous World of Motion.

Possible topics include:

- ★ Aeronautics
- ★ Mystery Machines
- ★ Chain Reactions
- ★ Body in Motion
- ★ Nature in Motion
- ★ Inventions 21st Century
- ★ Unexplained Events

Classroom activities will vary according to age and rotations during the program. Of special note, we will have a dual immersion (Spanish & English) sections, as well. Students will use creative and critical thinking, problem solving, collaboration and communication, and STEM skills as they explore the World of Motion.

BRIGHT IDEA VISION

The purpose of the Bright Ideas Summer Program is to provide educational opportunities and experiences not usually found in the home or school for bright, accelerated, and highly motivated youth. Participants can plan to experience a program of education and fun.
