Principal's Corner
We are off to a great start to our new school year. Barnett is such a great place to be with an awesome group of
dedicated teachers and students who work hard every day. Thank you for sending us such great kids. I have
enjoyed the first few weeks of school so much and I honestly feel the only way it could run so smoothly is a
direct result of the quality students and teachers here and the parental support that comes from home. I have an
open door policy. If there are ever questions or concerns with something here at Barnett I am happy to discuss
them with you. We also like to hear when we have done something right as well. 😊 Our goal is to help every
student be successful at Barnett.

We are excited to inform you that Barnett Elementary met the District Reading Goal of having 80% of our
students reading on grade level by the end of the school year. Last Spring our school was able to show
significant progress with the numbers of students that were reading on their grade level. This is in large part
due to you as parents working with your students every night as well as the dedicated instruction and follow up
by our teachers. Congratulations everyone!!
We feel that one reason students did so well this past year is the dedication of the students to do their nightly reading. Each grade level has their own expectation for students as far as minutes required each night but it ranges from 20-30 minutes. We hope you will continue to help your child read each night. It makes such a positive difference in all the subjects they learn at school. Also, please remember to have your child do a minimum five minutes of math fact practice every night.

Our school wide reading program theme this year is Reading: Mission PAWSible. At the end of every month teachers will be asking how many days your child read per week/month. Students who turn in their monthly reading calendars will receive a reading bead to hang on the PAWS to LEAD Dog Tag. There will also be additional recognition and prizes for being Dog Gone Good Readers throughout the school year. Our goal is to create positive habits of reading every day with students.

Barnett Elementary’s school-wide discipline plan is still working effectively and is becoming a model program for other schools. This year we are also helping students become great leaders through our PAWS to LEAD program. Barnett Bulldogs Paws to LEAD through Loyalty, Excellence, Achievement and Discipline. Teachers will be doing things in the classroom every day with these attributes and we have reminders throughout our school on how to lead by following rules and being examples. We will celebrate teacher, student, and class leaders at a monthly Bulldog Pride Assembly. Thank you for supporting us in our effort to create positive change at Barnett. I have included in this Newsletter our school expectations and procedures in an easy to read chart. I will also have the chart on our school webpage. That way as parents you can easily see what we are teaching our students about being safe, respectful, and responsible here at school and reinforce these ideas at home as well.

We are still looking to catch all students who are making good choices and giving them a Barnett Brag Note. They then take this note to the office and get their name added to the “Principal’s 200 Club.” These students will have a chance to win various prizes and have their picture in the paper. We always want to be known for focusing on the positive things that students do at Barnett.

Finally, I wanted to make you aware of Barnett Elementary’s Facebook Page. Go to www.facebook.com/BarnettElementary, LIKE us and start to receive updates on the great things happening at school and with Barnett PTA. You can also follow us on Twitter. Our Twitter handle is @BarnettBulldogs. Be sure to check out our website regularly for up-to-date information as well at http://barnett.nebo.edu/. This year our school has also joined Instagram! School Pictures

School pictures will be on Friday, September 25. Pictures packets will be coming home soon with more information and prices. If you want to order pictures, please return the order form and the money to your child's teacher by picture day. You can also send in the code if you paid online. Since we want all children to have their picture included in the class picture, all children will have their picture taken on the 25th regardless of whether money or a code is returned or not; however, if you have not paid for pictures on that day with cash, check or credit card, you will not be able to purchase a packet. Picture retakes will be on October 29th and you may purchase packets at that time.

Shoes are Required!

Nebo School District Policy requires that all students must wear shoes during PE classes. Children will not be able to participate in socks, bare feet, or flip flops, so please make sure your children wear appropriate footwear on their PE days. Thanks.

When your child is absent . . .

We appreciate you taking the time to let the office know when your child is absent. You can also let us know ahead of time when you will be on vacation. Please call 465-6000 to report absences before 9:15 am. Thanks so much for your help.

Walk More in Four

Barnett students are healthy and happy. To celebrate being healthy our school is participating in Walk More in Four by having students walk or bike to school at least 3 days a week for the 4 weeks in September. Our bus students who may not be able to walk to school can still participate by practicing safe habits while walking or biking in their neighborhoods.

Here’s how to participate:
*Go to udot.utah.gov/WalkMoreInFour to keep track of your progress online. Submit the online form by September 30th.*
*Students can also pick up a paper chart in the office and turn it in no later than Friday, September 25th.*

Participating students will be entered to win a bike, scooter, helmet or other donated prizes. If our school has the highest participation we could win $500 for our school!
