

## AM School Access

To facilitate student safety, students will enter their **outside classroom doors** this year. Our students are doing great with this! Students are welcome in classrooms *after* 9:00 a.m. We will have our PM Kindergarten students enter using their outside classroom door, as well. This will help us keep students safe and our school secure. Although the school is open each morning at 8:00 a.m., students will be expected to play outside when the weather permits. We should not have students in any of the halls, with the exception of those eating breakfast (beginning at 8:45 a.m.)

## Outside Play

As the weather begins to cool, the expectation is for students to go outside on all appropriate days. Students need to come **dressed for outside play**.

**Shoes are Required:** Nebo School District Policy requires that all students must wear shoes during P.E. classes. Students will not be able to participate in socks, bare feet, or flip flops. Please make sure your children wear appropriate footwear to school every day.

## Student Birthdays

It will be my pleasure to deliver a small birthday gift for all of our birthdays. In December we will celebrate the *half-birthdays* of those born in June, and those born in July will be recognized in January.

*Every precaution is taken to protect the privacy of all students. Student pictures from field trips & school activities, however, may be published online, in the school newspaper, on our website, etc. If you do not want your child's picture published, please inform your child's teacher.*

September 2020

## Message from Mrs. Brown

We are so excited to welcome everyone back for another wonderful year of learning at Barnett Elementary! We appreciate your continued support in our efforts to keep all students safe by checking in at the office and wearing an identification badge (green sticker) **each time** you come to the school. Please refer to our *2020-2021 Parent Handbook* found on our school's web site for more information. Please review the Safe Walking Route included to help in our collective efforts to keep our students safe.

By law each school in Utah has an elected School Community Council (SCC) that fulfills specific school responsibilities. The first meeting of our SCC will be **Wednesday, September 8, 2020 at 4:00 p.m.** in our PD room. We have posted the meeting schedule and contact information on the school web site. SCC meetings are open; any parent is welcome to attend.

Thank you for sharing your amazing children with us. We are excited to learn and grow alongside them!

## See-Do-Get Cycle

Leader in Me is based on a theory of change known as the See-Do-Get Cycle. When you change the way you **See** things, it influences what you **Do** and the results you **Get**.

# Parent Lighthouse Team Message

Want to hike Angel's Landing in Zion National Park? The view is amazing and worth it! But you can't hike to the top by going straight up the side of the mountain, can you? Nope. There are steps you've got to take in order. We've got to prepare by exercising, stretching, gathering supplies like water, hiking shoes, and hiking gear. Then we use a marked path, with switchbacks, and near the top, there's even a chain to hold onto to keep us from falling! But the climb was worth it as you view the breathtaking vistas from the top of the mountain!

Achieving goals in life requires the same process as setting out to hike Angel's Landing. You've got to "map" it out, and take it one small goal or "switchback" at a time. We can't aim straight for the top; it's too steep of a climb. The only way to make it, is to break it up into small, measurable increments. There will be "roadblocks" and "stumbling" along the path. We also need to have the proper "gear". Sharing our journey with others can be a steady "chain" to guide us along.

## **Tips to Successfully Set and Achieve Goals:**

Does your student or family set goals? Are they measurable? Achievable?

This year we'd love to share tips on setting goals. The Leader in Me program calls these WIGs (Wildly Important Goals). Your student may already have a goal set for themselves. Ask them about it. We'll discuss ideas on communicating with your student and family on goals.

Some of the topics we'll share about are:

- From X to Y by When
- Lead Measures
- Visual/Goal Boards
- Data Tracking (sheets, posters, scoreboard, etc.)
- Accountability Partners

We'd also love to share student and family success stories. Does your student or family have a success story you'd like to share? Please email Teona Humphries [teona.humphries@nebo.edu](mailto:teona.humphries@nebo.edu)

## 7 Habits of Highly Effective Kids

From: *The Leader in Me* by Stephen Covey

### 1. Be Proactive

I have a "Can Do" attitude. I choose my actions, attitudes and moods. I don't blame others. I do the right thing without being asked, even if nobody is looking.

### 2. Begin With the End in Mind

I plan ahead and set goals. I do things that have meaning and make a difference. I am an important part of my school. I look for ways to be a good citizen.

### 3. Put First Things First

I spend my time on things that are most important. This means I say no to things I should not do. I set priorities, make a schedule, and follow my plan. I am organized.

### 4. Think Win-Win

I want everyone to be a success. I don't have to put others down to get what I want. It makes me happy to see other people happy. I like to do nice things for others. When a conflict arrives, I help brainstorm a solution. We all can win!

### 5. Seek First to Understand

I listen to other people's ideas and feelings. I try to see things from their viewpoints. I listen to others without interrupting. I am confident in voicing my ideas.

### 6. Synergize

I value other people's strengths and learn from them. I get along well with others, even people who are different from me. I work well in groups. I seek out other people's ideas to solve problems. I know that "two heads are better than one". I am a better person when I let other people into my life and work.

### 7. Sharpen the Saw

I take care of my body by eating right, exercising, and getting sleep. I spend time with family and friends. I learn in lots of ways and lots of places.
