

The Leader in Me Summer Skills Challenge

Name _____

Month _____

Please complete 12 tasks each month to help keep your leadership skills sharp! On June 28, July 26 & August 22 bring this sheet (signed by a parent) & come to the Barnett library* to receive a prize for completing your Summer Leadership challenge. **Parent Signature**

Choose your own leadership skill and tell what you did.	During a family dinner tell something good about your family members. How can you develop one of the skills you talked about?	Have a screen free day. Do something outside to sharpen your saw.	Find a chore and do it without being asked.	Choose your own leadership skill and tell what you did.
Be proactive and decide now which tasks you will complete this month.	Try to go a whole day without whining, complaining, or saying 'why me'.	Make cookies or a treat for a neighbor or friend.	Set a goal to learn something new.	Make a plan for your day by putting in the most important things first.
If you want to be mean, don't do it & say something nice instead.	Try a new fruit or vegetable today.	Plan a picnic. Begin with the end in mind. What do you need to take with you?	Go on a hike.	Make a plan to change a bad habit for a good one.
Draw and/or color a picture.	Enjoy dinner together as a family for 3 nights in one week.	When you are about to fight with someone, think "how can I make us both happy?"	Plan a healthy meal for your family.	Do something nice for someone else without being asked.
Read a new book.	Try to go for 1 hour without speaking, just listen.	Choose your own leadership skill and tell what you did.	Grab some friends and work together to make a mural with sidewalk chalk or crayons.	Have a game night! Celebrate everyone being a winner!

*Summer library hours are 9-12 Wednesdays.
