

BARNETT SUMMER READS

STUDENT INFORMATION:

Are you ready to read?

This summer we want you to get out and read and have a lot of fun while doing so! Complete these summer reading challenges for prizes. Each challenge needs to take you 20 minutes or more to be able to cross it off the board. Once you have completed a task have your parent cross off the box and then choose your next reading challenge. Prizes will be awarded for completed rows or columns. There will even be a **BLACKOUT PARTY** for those amazing readers that complete every summer reading challenge. Maintaining your reading level over the summer will also earn you an invitation to the **BLACKOUT PARTY**!

READY... SET... READ!

READ 2 or more books by the same author. 	read a non-fiction book 	Visit The School Library 	make a treat inspired by a book 	READ 'The donut fix' 	

PARENT INFORMATION:

Barnett Summer Reads is a summer reading program to keep your student reading all summer long. Help them choose a task and remind them they need to spend 20 minutes or more on the task in order to count it on the READS board. Once they have completed a task mark it off and encourage them to keep going. Prizes will be awarded for rows and columns they complete (like BINGO, but without a FREE space). Students who complete the entire board will be invited to the **BLACKOUT PARTY** next school year!

You or your student may share photos or videos of their reading adventures as you mark off each task all summer long using **#BARNETTSSUMMERREADS**

This will show school pride while encouraging other bulldogs to keep reading!

WHY IT MATTERS:

“Summer reading is critical for students to retain knowledge and skills learned in the previous school year. Students who don’t read are at risk of falling behind their classmates. Parents and teachers can avoid this by making sure kids take time to read.” -study.com

- **DEFEATS SUMMER LEARNING LOSS**

Summer reading is critical to a child’s ability to not only retain information learned the previous year, but also to grow in knowledge and critical thinking skills for the coming year.

- **EXERCISES THE BRAIN OVER SUMMER**

Reading over the summer is not a suggestion to keep kids busy; it’s a critical requirement to help students stay on track for their entire educational career and beyond. Children who don’t read over the summer lose at least two months of reading development.

- **INCREASES KNOWLEDGE**

Reading is a strong tool for growing in comprehension skills and general knowledge of the world.

- **DON'T FORGET TO READ FOR FUN**

Giving your child the opportunity to choose books on their own keeps reading interesting and inviting. Reading over the summer is a necessity, but it should also be fun!

RESOURCES:

There are so many FREE and fun resources available to keep reading fun and engaging. Check out the list below for some fun ideas:
