

July 13, 2022

Dear Parents/Guardians:

The National School Lunch Program waiver that provided free meals to students has expired. This means that school meals will no longer be automatically free. You will need to submit a Meal Benefits Application in order to qualify for free or reduced-price meals for the 2022-23 school year. Qualification is based on factors including household size, income, participation in assistance programs such as SNAP, FDPIR, and TANF, as well as living situations such as homelessness and migrancy.

Online applications will become available after July 12th. You may access an application by going to your Infinite Campus Menu, then scrolling down to More and clicking on Meal Benefits. Any application signed before July 12th does not pertain to the 2022-23 school year. As a reminder, households must apply every year to confirm eligibility for free or reduced-price meals.

If you do not qualify for free or reduced-priced meals, school meals are available at the paid rate of:

Elementary:

Breakfast- \$1.50

Lunch- \$2.00

Secondary:

Breakfast- \$1.50

Lunch- \$2.50

We look forward to another school year serving your students.

Best Wishes,
