## 7 Habits of Highly Effective Kids

From: *The Leader in Me* by Stephen Covey

### 1. Be Proactive

I have a "Can Do" attitude. I choose my actions, attitudes and moods. I don't blame others. I do the right thing without being asked, even if nobody is looking.

### 2. Begin With the End in Mind

I plan ahead and set goals. I do things that have meaning and make a difference. I am an important part of my school. I look for ways to be a good citizen.

### 3. Put First Things First

I spend my time on things that are most important. This means I say no to things I should not do. I set priorities, make a schedule, and follow my plan. I am organized.

### 4. Think Win-Win

I want everyone to be a success. I don't have to put others down to get what I want. It makes me happy to see other people happy. I like to do nice things for others. When a conflict arrives, I help brainstorm a solution. We all can win!

### 5. Seek First to Understand

I listen to other people's ideas and feelings. I try to see things from their viewpoints. I listen to others without interrupting. I am confident in voicing my ideas.

### 6. Synergize

I value other people's strengths and learn from them. I get along well with others, even people who are different from me. I work well in groups. I seek out other people's ideas to solve problems. I know that "two heads are better than one". I am a better person when I let other people into my life and work.

### 7. Sharpen the Saw

I take care of my body by eating right, exercising, and getting sleep. I spend time with family and friends. I learn in lots of ways and lots of places.

**I learn. I lead. I  
care.**

**Together we are  
Better!**

**Our Mission: All students  
learning at high levels.**

## Safety Before & After School

- Only cross at the crosswalk with adult help
- Don't run between cars.
- Park along sidewalk for drop off and pick up
- Cars drive safely through the pick up area watching for kids
- Students walk safely to the bus area
- Wait for bus to stop before approaching
- Walk bikes, scooters, skateboards on school grounds

PLEASE REVIEW THESE SAFETY  
RULES AS A FAMILY.

## Paws to LEAD

I Learn. I Lead. I Care.

**Together we are better!**

## P.A.W.S. to LEAD Bulldog Pride Assembly

### AM School Access

Students will enter their **outside classroom doors** again this year. Our students are doing *great* with this! Students are welcome in classrooms **after 9:00 a.m.** We will have our PM Kindergarten students enter using their outside classroom door, as well. This will help us keep students safe and our school secure. Although the school is open each morning at 8:00 a.m., students will be expected to play outside when the weather permits. We should not have students in any of the halls, with the exception of those eating breakfast (**beginning at 8:45 a.m.**)

### Outside Play

As the weather begins to cool, the expectation is for students to go outside on all appropriate days. Students need to come **dressed for outside play**.

**Shoes are Required:** Nebo School District Policy requires that all students must wear shoes during P.E. classes. Students will not be able to participate in socks, bare feet, or flip flops. Please make sure your children wear appropriate footwear to school every day.

### Student Birthdays

It will be my pleasure to deliver a small birthday gift for all of our birthdays. In December we will celebrate the *half-birthdays* of those born in June, and those born in July will be recognized in January.

# STANDARD RESPONSE PROTOCOL

## INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

## COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

## HOLD

### "In Your Classroom or Area"

**Students** are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

**Adults and staff** are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

## SECURE/LOCKOUT

### "Get Inside. Lock outside doors"

**Students** are trained to:

- Return to inside of building
- Do business as usual

**Adults and staff** are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

## LOCKDOWN

### "Locks, Lights, Out of Sight"

**Students** are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

**Adults and staff** are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

## EVACUATE

### "To a Location"

**Students** are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

**Adults and staff** are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems Card method.

## SHELTER

### "State Hazard and Safety Strategy"

**Hazards** might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

**Safety Strategies** might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

**Students** are trained in:

- Appropriate Hazards and Safety Strategies

**Adults and staff** are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.
