

Barnett Elementary School Community Council Notes
October 10,2023

In attendance: Kali, Sarah, Patty, Shyanne, Brea and Teonna

Meeting called to order by Brea

- Welcome by Kali
- Darla and Jena excused this week

Needs Assessment (data review)

- Title 1 report revisited
- District uses Acadience for a math and reading screener to identify students who are at risk.
- All red and yellow students who are at risk all receive tier 1 instruction from their teacher and receive an intervention.
- Interventions include letter firming, Sound Sensible, Heggretty, Sipps phonics, Sped, ESL and intervention classes to target the students' needs.

Draft School LAND trust Proposal

- Reviewed briefly where the money has gone from trust Land funds
- Money primarily has gone towards hiring technicians, professional development for teachers and technology
- Will look at drafting the plan at next meeting

Questions/ Concerns/ Suggestions

- Brea was excited to share that the state of Utah ranked 3rd in the country for reading scores and 1st in the country for math.
- Kali shared that Barnett scores in reading went way up last year and our math scores increased as well.
- Brea inquired about after school programs again. Kali reviewed the logistics involved and some possible programs that could happen. Next steps were discussed.
- Superintendent council meeting is at the end of the month. Kali and Brea will attend and report next meeting what they learned.
- Next SCC meeting November 21st

Shyanne motioned to close our meeting and Brea second it.
